Doug: Programs Volunteer
Doug has had many volunteer performances at KD! Originally from Ottawa, when he comes to visit his loved one at KD, he serenades us with his musical talent of singing and playing the guitar to many family and enjoyable songs. We always look forward to his performances and thank him for making his visits so enjoyable!

Mateo: Programs Volunteer
"I'm a 21-year-old from Ecuador fluent in Spanish and currently honing my English skills. I have a passion for aiding others and fostering kindness in every interaction."

"My name is **Tyler Francis**, I'm 18 years old and I am a student in Humber College's Social Service Worker program. I am volunteering here, at Kristus Darzs Latvian Home to broaden my horizons and gain experience in the field of social work. My interests involve learning about people and cultures as well as exploring nature and organisms. So far, I've enjoyed my time here at Kristus Darzs, and I will continue being a positive member of our community."

My name is **Christine**. I am presently completing a school placement at KD on the 3rd floor. Outside of KD I work full time working with children with special needs/differing behaviors with the Dufferin Peel Catholic District School Board. I am a lover of animals and nature. Hobbies I enjoy are going to the gym, running, traveling and anything outdoors. I have 3 children 2 dogs and one cat. I am truly grateful for the opportunity in meeting and getting to know all the wonderful residents and staff at KD.

My name is **Maryam** I studied psychology at university. I like painting and walking. Last year I immigrated to Canada, so I started to learning English. My hobbies are watching movies and studying. I wish I can find a job.

"Hi my name is **Sol**, I am 24 years old. My family and I immigrated to Canada in 2001 from Argentina. I have been apart of the Programs Aid as a volunteer student from Humber College. I am currently in my last year of Social Service Worker program to achieve my Diploma and plan to continue my studies in university to achieve my Bachelors. I have been at Kristus Darzs Latvian Home since September 2023 and it has been a great pleasure getting to know all of the KD residents and staff."

Thank you to our friends and family volunteers who make a continuous difference and effort in events such as Yard Clean up!
