Joint Oversight & Coordinating Committee's 2025 KDLF AGM Report (JOCC)

(Formerly known as the Supervisory Committee)

This report will focus on the 2024-2025 operational year of the Kristus Darzs Latvian Foundation

The KDLF Board conducted their meetings, virtually to remain in touch with the functions of the Board and their sub-committees. The JOCC was able to participate in these meetings, observing that they were carried out in an efficient and professional manner, that resulted in minuted decisions.

The year-end financials and Audit reports for the 2024 year have not been completed at the time of this report. These reports will be presented at a future date to the Board and then the delegates.

Fundraising and a few special events were conducted throughout the year with surprising results. It has been a difficult time to increase the funding for Kristus Darzs due to the restrictions within our society. But the Foundation continues to find innovative sources of funding for the Home.

The establishment of a sustainable future and rebuild, for Kristus Darzs, continues to be a critical and strategic point for the Foundation, the Home and the Latvian-Canadian community. Joint discussions have occurred between the Foundation and Home Boards to discus the future of Kristus Darzs.

The Foundation was able to update and secured the approval from the Delegates, its By-Laws towards the new ONCA standards.

The community should thank the Foundation Board for their dedication, commitment and contributions.
